

MBC WEEKLY

JUNE 18, 2017

To commission a person or object is to set it forth for service. Commissioning implies support. When we commission missionaries, ministers, and/or mission

trip-goers, we offer our support to them as representatives of God's mission to the world through service. This Sunday, we will commission two groups: the group traveling to Nicaragua and the group traveling to Passport. Those going to Nicaragua will build homes in impoverished neighborhoods of Masaya. The individuals traveling to passport will receive their mission sites upon arrival.

To support their travels, we encourage you to pray the prayer below or a prayer of your own each day of their journey. (Passport: June 25-30 and Nicaragua: July 1-9.)

Loving God,

Bless these missional participants who, following in the footsteps of your Son, give themselves to the service of others this day; that with wisdom, patience, and courage they may minister in Christ's mission to the suffering, friendless, and those in need. May they be agents of peace, and may they, themselves, be transformed by their work. Amen.

We wish them blessings on their travels!

THANK YOU - The Internationals Program wrapped up the year with a luncheon for 68, including teachers, staff and guests. I would like to thank all of those who helped with set up and clean up - this year was the fastest clean up ever and I appreciate the ministerial staff staying to pitch in! Many thanks to Dianne Smith, who came early to set up and, Cheryl Rash Jones, Katie Morgan, Ben Byrd, Layne Smith, Meg Clapp (remote) and, as always, Joyce Hall, & Faye Olson - doing whatever was needed. Hopefully I can get some pictures posted on our website. Marilyn Scott
